DEPARTMENT OF INFRASTRUCTURE

PALMERSTON ROAD UPGRADES - ROYSTONEA AVENUE THIRD LANE WORKS COMMENCE MONDAY 29 FEBRUARY

Works start Monday 29 February on the construction of the third lane outbound on Roystonea Avenue between the Tiger Brennan Drive overpass, Palmerston and the Temple Terrace intersection.

Motorists may experience short delays while we deliver these improvements. Please allow extra time or take an alternative route for travel along Roystonea Avenue during busy periods.

To minimise disruption to traffic, majority of works will take place outside of peak hours of travel. Temporary speed restrictions and lane closures will be in place. Some night works will be required. Access to businesses will remain at all times. Work will be completed late 2016.

Keep up to date with the latest information via the website, newspaper advertising or ‘like us’ on Facebook at Road Report NT.

Queries can be directed to Department of Infrastructure’s Senior Project Manager Ben Langdon on 8999 4822 or email civilprojects.doi@nt.gov.au
