TIGER BRENNAN DRIVE DUPLICATION - DINAH BEACH TO WOOLNER ROAD

Tiger Brennan Drive Duplication from Darwin CBD to Berrimah Road is a jointly funded project by the Australian and Northern Territory Governments under the Nation Building 2 Program.

The section from Dinah Beach to Woolner Road is fully funded by the Northern Territory Government. Once completed, the project will increase capacity on Tiger Brennan Drive, improve safety for side road traffic and pedestrian movement at the intersections.

Project timeline
Work is expected to be complete by early 2014.

Planned works for July
Survey work and the relocation of sewerage and water services will commence early July. All planned works will be regularly advertised in the NT News.

Project scope
- Duplicating Tiger Brennan Drive from Dinah Beach Road to Woolner Road.
- Upgrading the intersection of Tiger Brennan Drive and Gothenburg Crescent (left out only).
- Installation of traffic lights at the intersection of Tiger Brennan Drive and Gonzales Road, including a pedestrian crossing and lengthening of turning lanes into/out of Gonzales Road.
- Relocating Power and Water sewerage pump station service access from Tiger Brennan Drive to Gonzales Road.
- No change to Ji-Niem Street intersection.
- Upgrading the intersection of Woolner Road and Stoddart Drive including extending the length of the left turning lane from Stoddart Drive to Tiger Brennan Drive.
- New cycle and foot paths.
- Relocating essential services (power/water/sewerage).
- Earthworks and drainage.
- New pavement, kerbing and signage.

A map is located overleaf which shows the location of the works.

Hours of work/traffic management
Works will occur generally between 7.00am to 7.00pm, Monday to Saturday.

Works will be limited during peak traffic hours of 7.00am to 9.00am and 3.30pm to 5.30pm to minimise impact.

Night works may be undertaken for works that cannot be done under traffic, with the impact on residential areas considered.

Traffic management will be operating with lane closures and speed restrictions in place as required.

Please turn over
Motorists are urged to adhere to all traffic management and speed restrictions as directed.
